ENROLLMENT AGREEMENT

Your child, _____, is now formally enrolled in Mt. Zion Lutheran Summer Camp for the 2008 year. The **tuition** for the program you have selected is \$ _____ a month. The first payment may be paid upon enrollment or no later than the first day of summer camp. Payments are **due on the first of each month**. A \$25.00 late fee will be assessed for payments received after the 10th of the month and a \$30.00 fee will be assessed for any returned checks. A drop in fee will be charged in the amount of \$6.00 an hour (10 cents a minute) for children picked up after their scheduled departure time. All checks should be made payable to Mt. Zion Lutheran School. Accounts must be kept current.

If a payment cannot be made due to circumstances that may arise, please contact the school office. If prior arrangements have not been made and payments totaling two months are in arrears, the student will not be allowed to continue attending Mt. Zion. If your payments are not current, we reserve the right to hold school records until payment is made in full.

You have been given a **Parent-Student Handbook** which sets forth the school's policies and other matters involving your child's relationship with the school. You should review this handbook at your earliest convenience and return the last page with your signatures on one of the final registration dates. If you have any questions regarding the policies or procedures of the school, please contact the principal.

We have read and understand the enrollment agreement. We accept and agree with the terms and conditions stated.
